

## WELCOME TO CASA DELLA PIZZA

*At Casa Della Pizza, we deliver an authentic Italian dining experience, focusing on quality, tradition, and freshness. Here's what makes us special:*

**The Pizza Oven** *Our pizzas are baked in the Napoli, a hand-built brick oven made from high-quality refractory fire clay from Alfa's kiln near Rome. This oven retains heat efficiently, and its design ensures each pizza is perfectly cooked, providing a true taste of Italy.*

**The Herb Garden** *Our rooftop herb garden supplies fresh herbs, adding rich flavor to our dishes and reflecting our dedication to using the finest ingredients.*

**Our Black Garlic** *Our fermented garlic is made made by placing garlic in a warm, moist, controlled environment in house fermentation machine over the course of 2-3 weeks, a process that produces black garlic cloves.*

**Our Pizza Dough** *Our 72-hour pizza dough recipe uses slow, cold fermentation to create a flavourful dough with a chewy, bubbly crust.*

## OUR SUPPLIERS

**Meat Supplier** *All our beef and pork come from local butcher Nigel Gahan. Our cured meats, mozzarella, and San Marzano tomatoes are supplied by K&C Norton, ensuring top-quality ingredients in every bite.*
